Cool Springs EyeCare won the 2009 Sizzle Award for best eyecare practice in Williamson County as voted on by the readers of Southern Exposure Magazine and Franklins.com. It was the first time the practice had taken the top honor.

“We’re pleased to be recognized by the community we work so hard to serve,” Dr. Jeff Kegarise said. “I believe the award is a reflection of our staff and its commitment to great eye health care and great customer service.

“I’m sure our brand new office (off Cool Springs Boulevard behind McAlister’s Deli) also helped us climb up the rankings.”

Cool Springs EyeCare had finished third in the three previous years of the Sizzle Awards.

Online voting for the Fourth Annual Sizzle Awards took place from Jan. 15-Feb. 15. The results were announced on March 9.
